"BUCKNER'S INDIANS."

A MILITARY NECESSITY.

At the close of the day the Federal army was crowded back under the river bank, and the enemy's gunboats were "behaling" at us, though the heavy missites passed harmlessly over our beads to mangle his own dead and wounded in the camps to our rear. To us it seemed that a general advance of the Confederate lines was all that was needed to make a grand finale to the day's work. When darkness was about setting in, the birande was moved tack, and a beavy rain

MILITARY ORGANIZATION.

The soldiers of the Irish Republic, by which name the military organization is hereafter to be solder and district to the sold and served mean will as good fighting soldiers. No near addicted to mickanting biports is to be admitted into the ranks, and any man found drunk will or define structure.

We gave recently the particulars of the killing of Col. W. H. Fowler by Judge D. B. Beufoey, U. S. Collector at J. fiercen, Texas. The latter was committed for trial upon testlinony which created a grave suspicion that he had deliberately mardered his vectim to escape listility for a large sum of money. We now find in the Marshall (Texas) Republican of August 31st, a reward of \$1,000 offered tor the detection of the marderer of Mrs. Bonness and the following account of the toul deed:

On Theesday morning our city was 11st excess.

been invaded, Mrs. Alexander's room entered, and a valies, containing clothing and other articles, carried off. During the last week attempts have been made to cuter other houses. The fact that the premises were guarded by a littless Simplicity.

One of the sweetest incidents which we have noticed for many a day-and one attempts have been made to the belief that the room was a considerable amount of money in the enemy of its enemies and the tall parties should be taught to the different tempts have been made to cuter other houses.
